GOOD TO KNOW

A deposit of €800 will be withheld on the morning of the charter.

A boating day lasts 8 hours: We recommend starting between 10:00-11:00 (e.g.: 10:00 departure Marina Sta. Eulalia, return: 18:00 Marina Sta. Eulalia)

Our guests are welcome to stay longer on board: Ideally, this should be clarified with the booking manager before departure.

We charge €200 for each additional hour.
Max: 2 hours.

These additional costs and your fuel consumption can be "deducted" directly from the deposit.
